EXPERTISE

Mergers and Acquisitions | Fintech | Cyber and Data Protection | Emerging Technologies and AI

BIO

Guy specializes in corporate finance, mergers and acquisitions, and emerging growth companies of all shapes and sizes. He provides invaluable legal and business advice to startups in their early stages and throughout their lifecycle. Guy advises companies from a wide array of industries and provides continuous consulting to founders regarding their ongoing and evolving relations with their companies, as well as matters relating to company formation, personnel recruitment, compensation matters, shareholder and board relations, financing and restructuring. He provides creative and out-of-the-box solutions to the different dilemmas that technology-based companies encounter from start-up to maturity.

Guy represents top-tier venture capital funds in Israel and abroad in a wide variety of private equity financings.

Guy has negotiated over a thousand equity financing and venture capital transactions, many of which involved complex corporate and transactional matters.

Education

2004 The Hebrew University of Jerusalem | LLB
