EXPERTISE

Cyber and Data Protection | High-Tech | Corporate and Commercial

BIO

Masha is an intern in the firm's High-Tech Department.

Masha focuses on privacy and data protection law with emphasis on Israel, the European Union (GDPR) and the United States. Additionally, she assists clients with a range of commercial matters and advises companies on regulatory and compliance issues relating to their business and technology activities.

Prior to joining the firm, Masha worked in the legal and finance department of a startup specializing in AI voice solutions, where she handled day-to-day financial and legal matters.

Masha earned her LL.B. from the Faculty of Law at the Hebrew University of Jerusalem and is currently completing an MBA degree, expected in 2026. During her studies, she served as a Teaching Assistant in Evidence Law and participated in a legal clinic providing information and legal support to youth at risk in civil and criminal matters.

Masha was awarded the Dean's Excellence Award for both 2023 and 2024.
