EXPERTISE

Banking and Finance | Mergers and Acquisitions

BIO

Ina Lenderman Hashmonay specializes in financial banking, serving financial institutions ranging from large commercial banks and credit providers to foreign and Israeli fintech companies. She provides a wide range of services, including consulting in the fields of banking, regulation, factoring and various financing transactions. Ina also works with international and local companies in commercial transactions between corporations and companies, finance, and related business issues.

Ina also provides ongoing advice to startups, companies in their growth stages, and global entities in various fields, on a variety of corporate law and corporate governance issues that arise in their day-to-day activities, including incorporation, corporate financing, and mergers and acquisitions.

Having graduated from law school in 2017, Ina qualified as a lawyer in Israel in 2018 and joined the firm as an attorney in 2021.
