## EXPERTISE

High-Tech | Corporate and Commercial

## BIO

Yaron Silver is a partner in the firm's Corporate and Commercial Department. His expertise includes corporate law, securities law, contract law, commercial law, education law and health law, representing corporations, including non-profit organizations and academic institutions.

Yaron advises higher education institutes on their ongoing business and represents them before the Council for Higher Education and the Planning and Budgeting Committee. He also has extensive experience in public tenders and litigation, and particular expertise in the fields of information security and privacy protection.

Yaron is an expert in all legal aspects of motor sports in Israel, including development of infrastructure and facilities for motor sports.

Having obtained his LL.B. from Tel Aviv University in 1997, he was admitted to the Israel Bar the same year. He joined the firm in 2021 as a partner. He is fluent in both Hebrew and English.
