EXPERTISE

Commercial Litigation | **Class Actions and Derivative Lawsuits**

BIO

Galit specializes in civil and commercial litigation, with a particular emphasis on representing defendant companies in class actions.

Galit provides the firm's clients—among them leading Israeli companies and prominent international corporations—with a broad range of services in this field, including appearances and representation before courts of all instances, as well as in arbitration proceedings, representation in mediation processes, and pre-litigation legal counseling.

As part of her litigation practice, Galit represents clients in a wide variety of disputes, including commercial contractual claims between companies, multinational corporations, defense of companies against motions for certification of class actions, and representation in derivative actions, among others. Galit has particular expertise in representing companies in class action proceedings across various fields, including consumer protection, privacy, insurance, and securities.

Galit also advises business entities on an ongoing basis and at pre-litigation stages, with the aim of minimizing legal exposure and effectively managing risks.

Galit is fluent in Hebrew and English.

During her studies at the Hebrew University, Galit served as a teaching assistant. Galit joined the firm in 2021.
