EXPERTISE

Cyber and Data Protection | Intellectual Property | Healthcare and Life Sciences | High-Tech

BIO

Miriam specializes in matters involving intellectual property, licensing, privacy law and commercial law.

Miriam has represented companies in the biotechnology, medical device and pharmaceutical industries. In addition, she represents clients in matters involving the Israeli Innovation Authority.

Miriam has valuable experience in matters related to the IIA in all the stages of a company's life cycle. She has submitted complex applications to the IIA and has provided advice and analyses to various clients in connection with IIA rules and restrictions.

Miriam is recognized by The Legal 500 for her expertise in intellectual property, licensing, and privacy law, reflecting her strong reputation among clients in the life sciences and technology sectors.

Additionally, Miriam counsels clients, whether start-up or large global corporations, on a wide range of privacy matters, including in connection with processing personal data, marketing, data security, data breach and cross-border transfers. Miriam also addresses privacy matters arising in the context of commercial transactions.

EXPERIENCE HIGHLIGHTS

Represented Intel Inc. in numerous acquisitions in Israel, including the acquisitions of Mobileye for $15.3 billion (the largest tech acquisition ever performed in Israel), Tower Semiconductor for $5.4 billion Habana Labs for $2 billion, and Granulate.

Represented NVIDIA in the acquisition of Mellanox Technologies for $7 billion (2nd largest tech transaction in Israel history).

Represented Palo Alto Networks in their recent acquisitions in Israel, including: Puresec for $500 million, Twistlock for $450 million, Cider Security for $300 million, Bridgecrew for $200 million, and Crusoe Security.
