EXPERTISE

Restructuring and Insolvency | Commercial Litigation | Banking and Finance

BIO

Adi specializes in litigation and holds a key role managing the legal enforcement department at the firm. Her primary focus lies in creditor rights, where she adeptly represents banks and major corporations within the Israeli market.

With a robust background in court representation, Adi brings substantial expertise to areas such as enforcement, bankruptcy, and insolvency. Her proficiency extends to receivership proceedings and skillful management of clients through mediation processes.

Adi’s professional journey includes noteworthy representation of the National Insurance Institute in labor courts, adding to her experience in social security law, including pensions, medical boards, and the handling of class actions.

Having earned her bachelor’s degree in law in 2006, Adi officially qualified as a lawyer in 2007. She joined the firm in 2014 as an attorney.
