EXPERTISE

Real Estate | Planning and Zoning

BIO

Roe Hecht is an expert in real estate law and provides legal counsel to entrepreneurs, leading private and public companies and institutional bodies. He handles complex real estate transactions, joint transactions and real estate sharing agreements, financing agreements, construction and real estate development agreements, urban renewal, rezoning and releasing of land for construction, construction agreements and related litigation.

Providing legal representation of our clients before various authorities, including the Israel Land Authority, Roe frequently appears in appeal and objection proceedings in the fields of planning and zoning, betterment levy related claims, and real estate taxation.

Roe joined the firm in 2001, as a partner.
