## EXPERTISE

Commercial Litigation | Administrative Law | Class Actions and Derivative Lawsuits

## BIO

Amiram Zano specializes in civil and commercial litigation across a wide range of areas, including contract law, corporate matters, representational lawsuits, contractors, and entrepreneurs in the real estate sector, defamation cases, and more.

Amiram represents corporations (companies, associations, partnerships, etc.) as well as individuals in complex legal proceedings of significant magnitude. This includes all levels of court and tribunals, starting from the Supreme Court and extending to arbitrations and mediations.
