EXPERTISE

Projects, Infrastructure and Energy

BIO

Tomer Ben-Horin is a partner in the firm's Projects, Infrastructure and Energy Department and has been involved in some of the largest, most challenging infrastructure projects undertaken to date.

During his studies, Tomer was a member of the editorial board of the Tel Aviv University Law Review. In addition, he was an instructor on the prestigious Orientation Program of Tel Aviv University for first year law students. He was awarded a scholarship for academic excellence, and his student paper was nominated by Prof. Hanoch Dagan for the 2015 Annual Prize for Best Student Paper.

Tomer Ben-Horin is recognized by The Legal 500 and IFLR1000 for his expertise in projects, infrastructure, and energy, underscoring his role in some of Israel's most complex and large-scale developments.

Tomer began his legal career as a legal intern at the firm in 2015, he made partner in 2025.

Education

2016 Tel Aviv University | LL.B.
