Emerging Technologies and AI | Regulation and Government | Commercial Litigation | Fintech | Blockchain and Crypto | Gaming

BIO

Ran Yosef is an associate in the firm's Emerging Technologies and AI Department. He frequently advises clients on licensing and regulation issues, along with corporate and commercial issues. As part of his practice, Ran assists clients in their global expansion strategies, by focusing on the regulatory implications of their activities.

Ran is also highly experienced in litigation, having consulted and represented clients in complex proceedings in courts, including Israel's Economic District Courts and the Supreme Court.

Having received his LL.B. (cum laude) from Reichman University in Israel, Ran went on to obtain his LL.M. from Columbia Law School in New York. He is fluent in Hebrew and English.

Education

2017 Reichman University | LL.B. (with honors)

2022 Columbia Law School | LL.M.

Admission

2019 Israel
