EXPERTISE

Real Estate | **Planning and Zoning**

BIO

Lior Koren delivers comprehensive legal counsel to commercial entities, navigating diverse facets of real estate transactions. His expertise extends to advising a broad spectrum of clients, including entrepreneurs, contractors, financiers, landlords, tenants, and both public and private companies.

With a meticulous approach, Lior oversees real estate transactions and projects from their conceptualization to the completion of construction. His advisory role spans crucial phases such as project planning, financial structuring (involving construction and permanent loans, as well as mortgages), and the formulation of various agreements, including those related to urban renewal, financing, and joint ventures.
