EXPERTISE

Tax

BIO

An attorney with diverse experience in the field of taxation, specializing in both direct and indirect taxes, including income tax, corporate tax, VAT, real estate taxation, international taxation, trusts and tax planning. Provides ongoing legal advice on various tax-related matters, accompanies purchase and asset transfer transactions, and drafts legal opinions and professional memoranda tailored to the needs of private clients and corporations.

As part of his professional background, volunteered at the legal aid program at Ichilov Hospital, assisting patients undergoing drug rehabilitation with legal support. He also practiced at the Tel Aviv District Attorney's Office, gaining valuable experience in litigation and handling complex legal issues.

Meir is known for his thorough approach, deep understanding of tax law, and his ability to provide clients with professional, personalized legal guidance.
