EXPERTISE

Corporate and Commercial

BIO

Atara is an associate in the Commercial Department, specializing in providing ongoing legal counsel to companies. Her expertise includes drafting a wide range of agreements, preparing legal opinions and advising on corporate governance matters. She also assists with M&A transactions.

Atara is a graduate of the 1st class of the Hebrew University's MACHPIL (PLE) program, where she earned a Bachelor of Laws and a Bachelor of Arts in Economics and Philosophy (cum laude).

During her studies, Atara participated in an entrepreneurship course, in which she co-developed a biotech product, gaining hands-on experience in engineering concept design, provisional patent applications and business planning.
