## EXPERTISE

Real Estate

## BIO

Natanel has extensive experience in the real estate industry, focusing on urban renewal projects. He assists private clients and entrepreneurs from the initial stage of their project, representing them in the legal negotiation of agreements, assisting with preparation of consulting agreements, representing them in bank transactions until the new apartments are delivered.

In addition, Natanel has vast experience in providing comprehensive legal support for real estate transactions, including those relating to combination transactions, sales, purchases and rental agreements.
