EXPERTISE

Tax | Real Estate Tax

BIO

Dov Berzon’s practice focuses on taxation, he specializes in real estate taxation. He has extensive experience advising real estate companies, entrepreneurs, and landowners on a wide range of real estate tax matters in Israel, including real estate taxation, income tax, and VAT. Dov provides guidance on sales transactions, urban renewal projects of all types, combination transactions, and complex commercial transactions.

Dov accompanies his clients through tax planning and provides recommendations for the optimal taxation structure required to carry out transactions. He provides and edits legal memos and opinions for clients, assists in preparing and submitting required reports to real estate taxation offices, and represents clients before Israeli tax authorities, including negotiating with real estate tax inspectors and conducting assessment discussions.

EXPERIENCE HIGHLIGHTS

- Representing and advising multiple companies on real estate taxation matters related to urban renewal projects across various complexes nationwide.
- Providing guidance and representation to property owners in urban renewal complexes on real estate taxation issues.
- Assisting and representing companies in matters related to the Capital Investment Encouragement Law, specifically regarding rental property developments.
