## EXPERTISE

High-Tech | Cyber and Data Protection | Corporate and Commercial | Emerging Technologies and AI

## BIO

Yuval is an intern in the firm's High-Tech department.

Yuval specializes in privacy law, with emphasis on the European Union, the United Kingdom, and the United States. Additionally, he assists clients with commercial issues and provides guidance and consultation to companies on regulatory aspects of emerging technologies.

During his studies, Yuval focused on law and technology with an emphasis on privacy law, serving as a research assistant to Prof. Michael Birnhack and Dr. Mickey Zar. Yuval also participated in the first cycle of the Privacy Clinic at Tel Aviv University.

Yuval was a member of the editorial board of the "Dinei Israel" law journal at Tel Aviv University and was a Dean's List honoree in the academic years 2021-2022 and 2022-2023.

## Education

2025 Tel Aviv University | LL.B.
