BIO

Elie Sprung is a partner in Arnon, Tadmor-Levy's High-Tech Department. A highly-regarded lawyer with over 20 years of experience, he represents clients in a broad range of industries. Having established himself as a leading authority in the field, Elie consistently earns recognition and praise for his exceptional legal skills and client-focused approach. He is particularly known for his expertise in assisting founders navigate the life cycle of their startups, from inception to exit in both corporate and commercial transactions.

Recognized by Chambers Global as "an excellent lawyer" and praised by The Legal 500 for his deep expertise and client-focused approach, Elie has been commended for "his knowledge, experience and constructive approach to the work." His passion for the high-tech industry, coupled with his extensive legal expertise, make him a trusted advisor to clients navigating the fast-paced and complex world of technology and venture capital. With his comprehensive understanding of the industry's dynamics, and his commitment to delivering exceptional service, Elie continues to play a vital role in helping his clients achieve their goals and drive innovation in their respective fields.

Throughout his career, Elie has represented a diverse range of clients, including entrepreneurs, high-tech companies, venture capital funds, corporate investors, angel investors, and acquirers. His client base spans various industries, including Internet, mobile, cyber, fintech, bio-tech and medical devices, AI, media, and big data. Elie's expertise covers all aspects of legal support for technology-driven ventures, from early-stage development to growth and exit transactions. He has extensive experience in representing his clients in financings, mergers and acquisitions, commercial transactions and agreements, as well as assisting in day-to-day company operations, and providing strategic advice and solutions tailored to each client's unique needs.

Beyond his role as a lawyer, Elie actively engages in activities that contribute to the advancement of the high-tech ecosystem. He has participated in committees advising the Knesset, serves as a mentor to startups and entrepreneurs, and has lectured on various issues related to the high-tech field at international conferences, academic institutions, as well as meet-ups and accelerators.

Previously, Elie was the head of the High-Tech and Venture Capital practice at Tadmor-Levy & Co., worked as a corporate attorney at the Kansas City offices of Husch Blackwell LLP, was a senior associate at the boutique high-tech firm of Ori Rosen & Co., and worked in the International Corporate Department of Yigal Arnon & Co.
