EXPERTISE

Real Estate

BIO

Elior Goldenberg has extensive experience in the real estate industry, focusing on urban renewal projects. Assisting private clients and entrepreneurs from the initial stages of their project until the new apartments are delivered, she provides representation in the legal negotiation of the agreement, assistance with preparation of consulting agreements, representation in bank transactions, and registration of properties with the Israeli authorities.

In addition, Elior has vast experience in providing comprehensive legal support for real estate transactions, including those relating to combinations, sales, and purchases.

Education

2019 Bar-Ilan University | LL.B.

Admission

2020 Israel
