## EXPERTISE

Real Estate | Urban renewal | Real Estate Financing

## BIO

Lotem specializes in real estate law, handling real estate transactions, urban renewal projects, and real estate financing. As part of her work, she provides legal counsel for urban renewal projects, first- and second-hand transactions, and real estate financing deals.

Lotem holds an LL.B. in Law and a master's degree in public policy and political marketing from Reichman University.

She began her career at the firm in 2021 as a pre-intern in the Real Estate Department. After completing her internship and obtaining her law license, she rejoined the firm as an associate in the Real Estate Department.
