BIO

Gal is an intern in the Real Estate Department and specializes in real estate law, urban renewal, planning and construction, and real estate financing.

Prior to joining the firm, she worked as a pre-intern at a law firm specializing in urban renewal.

Gal holds a Bachelor of Laws (LL.B) and a Master's degree in Law, Technology and Business Innovation (M.A) from Reichman University. During her studies, she participated in the Local Government Clinic, gained practical experience in the "Judicial Proceedings" practicum at the Magistrate Court in the civil-commercial division, and served on the election committee of the university's student union. Additionally, she participated in our firm's HONORS program in the real estate field.
